

Create your own  
scenario  
for conversation

# 1. What is the theme?

Look for interesting videos,  
quotes, images, articles,  
or websites related to that theme.

Even if a little abstract

2. How would you introduce it?  
What vocabulary or grammar needs to be introduced? How could you introduce some of it while talking in a natural manner?

3. What examples could you give from your life to model to your students how to respond or speak?

4. What questions could you ask to get deeper into the topic? Get students thinking and talking about real life experiences and opinions?

**5. What secondary skills  
would you work on?  
Reading comprehension,  
listening, writing etc..**

**Let's Discuss**
